

FMMI Website – One stop shop for information!

FMMI stands for the Financial Management Modernization Initiative. The FMMI website, <http://info.fmmi.usda.gov>, officially launched at the Financial Management Training (FMT) May 6 – 8, 2009.

The FMMI website provides timely information on FMMI including:

- [Training](#)
- [Latest News](#)
- [Implementation](#)
- [Policy Decisions / Documentation](#)
- [Frequently Asked Questions](#)
- [FMMI Glossary](#)

*** FMMI Newsflash - #4 ***

Bookmarking the website now is a great idea because it will hold links to the **FMMI Portal**, **FMMI Online Help**, and other **FMMI Portal Resources** -- links to these specific areas will be live when FMMI is deployed.

Each major area of the FMMI website includes detailed information to answer questions and confirm understanding of key FMMI topics.

About FMMI pages include information on:

- *Overview*: the solution, objectives, and goals of FMMI
- *Benefits*: what FMMI will deliver to USDA
- *System Capabilities*: what you can expect to find within FMMI
- *System Technology*: what is an ERP? What does SAP stand for?
- *Deployment Timeline*: schedule for each wave of deployment
- *FMMI Team*: the Leadership Team, Governance Structure, and Team Chart

Training page includes information on:

- *Training Background / Approach*: how the training curriculum has been developed
- *Training Level Descriptions*: (100, 200, 300 and 400 level courses)
- *Training Delivery*: how and when training will be delivered
- *Training Certification*: training required for system access

Latest News pages include information on:

- *FMMI in the News*: all editions of the FMMI Project Newsletter
- *FMMI Newsflash*: all of the end user focused one-page quick reference sheets on FMMI
- *OCFO/OCIO Connections Newsletter*: links to editions conveying information on FMMI

Implementation page includes information on:

- *Deployment Timeline*: schedule for each wave of deployment
- Current list of Deployment 1 Agencies and Staff Offices

Policy Decisions / Documentation

- Important policy decisions made and documentation created which have guided the development of the FMMI system

Frequently Asked Questions page includes a list of questions and answers about FMMI:

- *What is FMMI?*
- *Is transition to the FMMI system mandatory?*
- *What will be different after FMMI is fully deployed?*
- *What is the benefit of FMMI?*
- *When will I receive training as an end user?*
- *How much training will I be required to take for FMMI?*
- *What is the schedule for deployment?*
- *What can I do now to prepare for FMMI?*
- *Places to find FMMI information*

Be a Part of It!

We will update the FMMI website as new information is available. If you have suggestions for the website, contact your Agency Communication Lead: (Insert Agency specific information)
